pies and tips!*

Minimum \$1 per pie.

EcoClean Can is partnering with the Wesmere Elementary School PTO!

The Promotion is going on from August 31st to October 2nd.

Code is Wesmere PTO.

EcoClean Can offers an Eco-friendly way to eliminate the bacteria and smells lurking around the corner in your garbage, recycling and yard waste bins.

Their patented system makes handling your bins (which most of us have to do on a daily basis) a great experience. No more dreading opening the lid or fearing what may be lurking inside!

For every one-time cleaning service booked in September using Promo Code "Wesmere PTO" EcoClean Can will donate 20% of the proceeds to the organization. All you have to do is sign up for a one-time cleaning at - <https://ecocleancan.com/pricing/>. One Time Service is \$40 up to 2 cans. It will be \$18 for each additional can.

Contact Eco Clean Can to schedule at 708-549-1660 John or Melissa

WWW.ecocleancan.com

Mention Wesmere PTO when booking. Cans are normally cleaned after trash day.

Be sure to use the **Promo Code "Wesmere PTO"**
